COOPERATING TECHNICAL PARTNERS (CTP)

FEMA-APPROVED COMMUNITY OUTREACH AND
MITIGATION STRATEGIES (COMS)

STATEMENT OF WORK (SOW)

COMS SOW No. ISWS 23-02A

Fiscal Year 2023

FEMA

1. SOW No. ISWS 23-02A

The Community Outreach and Mitigation Strategies described in this SOW dated 8/29/2023 shall be completed in accordance with the CTP Partnership Agreement referenced in Table 1 of the SOW between Illinois State Water Survey (herein referred to as “CTP”) and the Federal Emergency Management Agency (FEMA).

All items (including but not limited to: requirements, timelines and deliverables) from original SOW No. ISWS 23-02 are still valid and will be completed in accordance with said agreement with the exception of the following items detailed in [Section 2](#).

Use the following [Section 2](#) to identify the areas of change between the original scope and the amendment.

2. Identify Tasks and Deliverables to be Modified Under this SOW

Instructions: Insert a narrative explaining the sections that are changing. You will use any “section” or “task” details from original scope item to document the changes.

Original Scope in SOW 23-02	To be re-allocated SOW 23-02A
Being removed: 2.2 Strategic Planning for Community Outreach and Engagement – Page 24: This can be useful to identify any barriers or inequities in a community and help develop a more equitable approach to serve the whole community.	Being added: This can be useful to identify any barriers in a community and help develop a better approach to serve the whole community.
2.2 Strategic Planning for Community Outreach and Engagement – Page 25: Community Prioritization – Prioritize the action potential, action readiness, or need of communities within a watershed to inform project scoping and planning. Consider marginalized communities or populations and how you might address any inequities when tailoring or providing services to close the equity gap.	Community Prioritization – Prioritize the action potential, action readiness, or need of communities within a watershed to inform project scoping and planning.
Total: \$200,000	Total: \$200,000

3. Funding

The funding provided in the original SOW is not changing and no additional funds are being allocated per this amendment.

4. Authorized Representative Signatures

Each party has caused this SOW to be executed by its duly authorized representative.
